The Power of Prayer

In Everything by Prayer
and Supplication with

Thanksgiving... Philippians 4:6

2 Kings 4:1-7, tells of a woman whose husband had died leaving her destitute with two children. The debt collector was coming to take her sons as slaves as she was unable to pay her bills. I am sure you are familiar with the rest of the story. We too came to God in prayer on behalf of the children across Jamaica – over 120,000 contacts made; for help in our summer ministry – 24 missionaries from CEF Ireland and CEF Student Thunder from Washington (USA); 57 graduated from Teaching Children Effectively™ training; for Devotions in schools – over 80,000 reached, new partnerships developed with “Fun in the Sun, H-O-P-E Cricket World Cup, Kids Game and

YFC Global Day of Prayer; prayers for children to visit our booth at Children’s Expo – we presented the gospel to thousands with the Gospel Hand, Flipper Flapper, face and hand painting, storytelling etc.

We also asked God for parish workers – after ten years we have a Parish Supervisor in Westmoreland and a recent CMI graduate in St. Catherine; we prayed for relocation of our office – we moved two doors up, rent increased but God provides. We thank you for your prayers, financial support, words of encouragement; we thank our army of volunteers as we could not have done it alone.

Our greatest thanks is to our Lord God, who strengthened us. God bless you all.

The Power of God's Word

"we don't have any church clothes"

She saw these children playing outside the church. Why were they not in church? On enquiring, the children told her, "We don't have any church clothes"

God burdened our Sister Addy for the souls of these children. She heard about *Good News Club* and decided that this was the best thing for the children, to 'come as you are'. Club began with these children making up the main core. How they learnt! God's Word was taught which transformed lives.

This will be the 2nd year of their club.

Now back to Sister Addy...

From our CEF booth at Children's Expo, Sister Addy heard about our ministries and decided the first thing she needed was training. Through the Teacher Training Classes, she heard about *Good News Clubs*. Soon, this Nigerian go-getter got other friends to attend the Training Classes and together, they began a GNC.

This year's highlight for the club was the participation in the National Bible Quiz. They won the trophy! Among the participants were Sister Addy's two children.

Donor Appreciation

On Friday December 16, 2007, we held our first donor appreciation function. Approximately 100 persons met at the PCJ auditorium and enjoyed the warm fellowship. The participants were entertained by the CBC choir and the Olivet Trio. They were given an update on the work of JCEF by way of a power point presentation. All who came were refreshed and energized to be more involved in the work of the fellowship. We give God thanks for the opportunity to have fellowship with some of our donors and hope that we will be able to do it again on many more occasions.

Gifts to the work of the Fellowship, which would be highly appreciated, can be sent to the National Office or lodged into our accounts.
