time table running smoothly, and campers thoroughly enjoyed each camp activity. Even though the counsellors were over-worked because of the relative size of the camp, everyone went home with the feeling that it was a very enjoyable camp.

The last day of camp was particularly hectic as the camp director and team tried hard to get campers home early, ahead of the expected hurricane Dean. The breakdown of one of the buses delayed the effort somewhat, but served as a practical reminder to the campers of the importance of prayer.

Great activities

“...the joy of the Lord is your strength” Nehemiah 8:10

What a summer we have had!! How thankful we are to God for what He has done this summer. We thank Him for the twenty five missionaries and their leaders who ministered across the island to children and young people.

The Student Thunder group of sixteen were from CEF Seattle (Washington). They ministered in the parishes of St. Thomas, Kingston & St. Andrew, Clarendon, Manchester and St. Elizabeth."

The nine member group from CEF Ireland was warmly greeted by children and adults in the parishes of St. Mary, Trelawny, St. James and Westmoreland. Was there a “culture shock” for this group? “No way”, their leader Colin Hylands said “We felt very much at home as the children and young people in Jamaica are very similar in many ways

to those at home”. We were surprised how quickly the children learnt CEF songs (sometimes with a slight Irish accent!!)

What a joy it was to see them leading children to Christ, as guests on Children Bible Time radio programme on Roots FM; (Editorial continues inside)

meeting with local church leaders; promoting CEF and ministering to children anywhere, anytime – even at the beach!
Sports ministry was high on the agenda, especially when Matt and Mark from Ireland invited a group of young boys to football/ basketball (was this to be David and Goliath ?) No such thing, it was an opportunity for ministry.

We were challenged in preparing for the larger - than usual teams who were ministering at the same time from Morant Point in the east to Negril in the west, but we give God the praise and all the glory that the schedules, accommodation, work plans and coordination were completed in record time. At national office we were encouraged by many especially our Parish Supervisors, Committee Members, coordinators in CEF, USA and Ireland. We thank our local hosts, pastors and church leaders, children’s workers, the many who volunteered their services.
We especially give God thanks for the children and young people who accepted the Lord and those who rededicated their lives.
We continue to pray for them in their walk with the Lord.

Again thank you all for your support in making it a

A summer with a difference!

God bless you.

Ruth Ann

Why Lord?

Ruth Ann enjoyed the week at the 5 Day Club held in her home church by the Irish team in Retreat, St Mary. How she looked forward to going to club each day and would go around the house singing the songs learnt.

One week after the club, Ruth Ann succumbed to sickle cell and went home to be with her Lord. She was buried on her third birthday and must have heard the children singing her favourite songs at her funeral.

Why Lord?

He alone has the answer.

Children’s Bible Club Camp (CBC)

Katherine Brown, one of the speakers

Children’s Bible Club camp held August 11 to 18 this year was one of the largest we’ve had. A record number of 87 campers were registered this year. Under the guidance of camp speakers Ivan Hall and Katherine Brown the campers explored the theme, “Kingdom of the Son – A prayer Safari.” A study of the **Lord’s Prayer** was used to encourage camper to develop and improve their own prayer lives.
Camp Director, Rowan Bailey, himself a past CBC camper, with his staff of 8 female and 5 male counsellors plus other personnel, were kept very busy during the week. They kept the full
